We are more than a securities exchange!

The ASX team brings together talented people from a diverse range of disciplines.

We run critical market infrastructure, with 1 in 3 people employed within technology. Yet we have a unique complexity of roles across a range of disciplines such as operations, program delivery, financial products, investor engagement, risk and compliance.

We're proud of the diversity of our organisation and the culture of inclusion that all our people help to build every day. Our employee-led groups are known for celebrating cultural and religious events, championing LGBTIQ+ inclusion, inspiring giving and volunteering, promoting gender equality, and wellbeing. We are an Employer of Choice for Gender Equality (WGEA) and a member of the Champions of Change Coalition for the advancement of gender equality in Australia.

About the team:

The Market Operations team sits within the Markets Line of Business (LoB) and comprises of 4 teams including the Market Announcements Office, Surveillance, Trading Operations and Clearing Operations. Markets is one of the four LoB's at ASX and operates as an integrated business (designing, selling, delivering and running its products/services), working in alignment with the other LoBs and closely with ASX's Centre's of Excellence (technology and delivery) and expanded Customer function. The Markets LoB has primary accountability for ASX and ASX 24 Markets licenses, ASX Clear (Futures) and ASX Clear (ETO's) license and the Benchmark administrator license.

What you will be doing:

This role is responsible for the operational clearing environment and processing of all exchange traded and OTC derivative products within the Australian market. You will champion superior customer service to our clients globally, when they need it, in line with our strong regulatory focus. As the leader of the team, you will have responsibility for the implementation and

ongoing support of new products and services in line with the ASX strategy, which have a direct impact on the Australian financial markets.

- > Day to day management of the real time post trade clearing operations function ensuring all tasks and checklists are completed with proper risk management and within deadlines
- > Lead the team providing support and direction to staff including performance feedback, mentoring, and ensuring compliance with ASX Policies and Values
- > Provide first line support of ASXs derivative clearing systems including Genium, DCS & Calypso.
- > Ensure the team meets regulatory obligations and compliance with the ASX Operating Rules
- > Engage and service a diverse range of stakeholders inclusive of exchange participants, brokers, custodians, system vendors and regulators.
- > Lead the identification and implementation of process improvements to reduce operational risk, enhance the customer experience and develop technical change.

What you will bring:

- > Previous management experience in a fast-paced deadline driven operational environment
- > Extensive knowledge of the Australian Financial Markets and related products
- > At least 5 years experience in ETD/OTC back office
- > Experience leading a customer facing team offering exceptional service
- > Understanding of the Post Trade Environment, knowledge and awareness of ASX post trade business processes and systems

Nice to have:

- > Report writing for senior management with content focussed on operational analysis and commentary
- > Experience with project implementation
- > Exposure to back office operations in capital markets, bank treasury, custodian or a broking firm.

We make hiring decisions based on your skills, capabilities and experience, and how you'll help us to live our values. We encourage you to apply even if you don't meet all the criteria of this role. If you need any adjustments during the application or interview process to help you present your best self, please let us know.

At ASX Group, our diverse workforce is essential to build and maintain a fair and dynamic marketplace. We support flexible working and offer hybrid working options. Even if our roles are advertised as full-time, we encourage you to apply if you are interested in part-time or other flexible working arrangements.

We will arrange for successful candidates to have background checks, including reference and police checks completed as part of the on-boarding process.
