

# Senior Manager– Derivatives Clearing Services, Markets (LM 11552)

Sydney, New South Wales, Australia (Hybrid)

## ASX: Powering Australia's financial markets

### Why join the ASX?

When you join ASX, you're joining a company with a strong purpose – to power a stronger economic future by enabling a fair and dynamic marketplace for all.

In your new role, you'll be part of a leading global securities exchange with a strong brand. We are known for being a trusted market operator and an exciting data hub.

Want to know why we are a great place to work, visit our [careers page](#) to learn more.

### We are more than a securities exchange!

The ASX team brings together talented people from a diverse range of disciplines.

We run critical market infrastructure, with 1 in 3 people employed within technology. Yet we have a unique complexity of roles across a range of disciplines such as operations, program delivery, financial products, investor engagement, risk and compliance.

We're proud of the diversity of our organisation and the culture of inclusion that all our people help to build every day. Our employee-led groups are known for celebrating cultural and religious events, championing LGBTIQ+ inclusion, inspiring giving and volunteering, promoting gender equality, and wellbeing. We are an Employer of Choice for Gender Equality (WGEA) and a member of the Champions of Change Coalition for the advancement of gender equality in Australia.

### About the team:

The role will be responsible for developing, enhancing and delivering on the outcomes of the Derivatives Clearing Services BAU activities and stakeholder engagement for the ClearStar Program.

The candidate will be responsible for outcomes related to the provision of the derivatives clearing services, including collaboration with Clearing Risk on policy, licence and FSS obligations and stakeholder engagement activities in support of the ClearStar program.

Working closely with the General Manager, Derivatives Clearing Services to deliver on the overall business strategy to create and operate resilient, contemporary, sustainable and attractive platforms for our customers to manage the holistic risk profile of derivatives clearing, facilitate the diversification of clearers, and to drive activity and revenues for the Markets business.

## What you will be doing:

- The role includes the day-to-day responsibility of the business and to deliver on the stakeholder engagement activities of the ClearStar program to create and operate resilient, contemporary, sustainable and attractive platforms for our customers to manage the holistic risk profile of derivatives clearing, facilitate the diversification of clearers, and to drive activity and revenues for the Markets business.
- The candidate will set up the overall delivery of key components of stakeholder engagement working closely with product owners and the Markets Technology and Markets Delivery function.
- Support internal and external stakeholders in readiness for the delivery of the strategic initiatives, including participants, industry bodies, technology vendors and other key stakeholders such as the RBA and ASIC.
- Alongside the General Manager Derivatives Clearing Services, Markets, the ClearStar Program Director and the Head of Derivatives Clearing Technology, take ownership of the delivery of the industry stakeholder strategy, ASX Position Description 2/2 coordinating all interested parties, establishing effective communication between stakeholders and reporting on progress.
- Develop a deep understanding of the individual project streams across the ClearStar program to gain insights into the scope and complexity of the delivery to identify the most effective route to success. Work with internal stakeholders and subject matter experts (SMEs) to drive content for stakeholder working groups and committee presentations
- Be the voice of external stakeholders and represent their interests in internal project and governance meetings
- Tracking progress of stakeholder engagement including an uplift to existing channels to deliver on the key objectives for the Derivatives Clearing Services business and the ClearStar program.

## What you will bring:

### Must have

- Extensive knowledge and experience of financial markets, particularly derivatives and C&S facilities.
- Proven track record of managing complex and/or transformative programs of work/projects
- Experience of managing projects in a highly regulated environment, preferably in the Australian Financial Market landscape
- Demonstrated strong communication, facilitation, influencing and negotiation skills with external and internal stakeholders across all seniority levels
- Demonstrated excellent written and verbal communication skills that can be tailored to suit the audience
- Proven track record of focusing on delivery excellence

### Nice to have:

- In depth knowledge of financial products from a front, middle and back-office perspective
- Knowledge and experience with ASX products technology and customers
- An understanding of international platforms and messaging protocols
- An understanding of the regulatory landscape for financial markets in Australia

We make hiring decisions based on your skills, capabilities and experience, and how you'll help us to live our values. We encourage you to apply even if you don't meet all the criteria of this role. If you need any adjustments during the application or interview process to help you present your best self, please let us know.

At ASX Group, our diverse workforce is essential to build and maintain a fair and dynamic marketplace. We support flexible working and offer hybrid working options. Even if our roles are advertised as full-time, we encourage you to apply if you are interested in part-time or other flexible working arrangements.

We will arrange for successful candidates to have background checks, including reference and police checks completed as part of the on-boarding process.
