Sydney, New South Wales, Australia (Hybrid)

### ASX: Powering Australia's financial markets

#### Why join the ASX?

When you join ASX, you're joining a company with a strong purpose – to power a stronger economic future by enabling a fair and dynamic marketplace for all.

In your new role, you'll be part of a leading global securities exchange with a strong brand. We are known for being a trusted market operator and an exciting data hub.

Want to know why we are a great place to work, visit our [careers page](#) to learn more.

#### We are more than a securities exchange!

The ASX team brings together talented people from a diverse range of disciplines.

We run critical market infrastructure, with 1 in 3 people employed within technology. Yet we have a unique complexity of roles across a range of disciplines such as operations, program delivery, financial products, investor engagement, risk and compliance.

We're proud of the diversity of our organisation and the culture of inclusion that all our people help to build every day. Our employee-led groups are known for celebrating cultural and religious events, championing LGBTIQ+ inclusion, inspiring giving and volunteering, promoting gender equality, and wellbeing. We are an Employer of Choice for Gender Equality (WGEA) and a member of the Champions of Change Coalition for the advancement of gender equality in Australia.

#### About the team:

- > Support the delivery of the CHES Replacement project by assisting the project with the assessment of both delivery and delivered risks
- > Support the delivery of the CHES Replacement project by assessing the design and operating effectiveness of the new control environment
- > Support the delivery of risk and compliance reporting including external regulatory and audit requirements as it relates to the project
- > Collaborate with risk management colleagues across ASX to continuously improve the Operational Risk Management Framework, including to align with best practice, industry standards, regulatory requirements and other enterprise requirements

### What you will bring:

- > Gained 7+ years' experience in Risk or Compliance related function preferably within the Financial Services Industry
- > Gained experience in managing, monitoring and testing compliance
- > Developed an understanding of financial regulatory environments
- > Demonstrated the ability to build strong internal relationships
- > Critical thinking with an analytical approach
- > Ability to collaborate and work with multiple stakeholders to deliver a common goal
- > Communication skills – excellent oral, written and presentation

### Nice to have:

- > Understanding of different financial products
- > Experience in interaction at Executive management level of businesses
- > Broad understanding of project methodologies
- > Experience in influencing risk culture
- > Strong Operations process related knowledge

We make hiring decisions based on your skills, capabilities and experience, and how you'll help us to live our values. We encourage you to apply even if you don't meet all the criteria of this role. If you need any adjustments during the application or interview process to help you present your best self, please let us know.

At ASX Group, our diverse workforce is essential to build and maintain a fair and dynamic marketplace. We support flexible working and offer hybrid working options. Even if our roles are advertised as full-time, we encourage you to apply if you are interested in part-time or other flexible working arrangements.

We will arrange for successful candidates to have background checks, including reference and police checks completed as part of the on-boarding process.
