ASX Rule Changes, Waivers and Exemptions

In order to comply with the transfer restrictions under Regulation S of the United States Securities Act of 1933 for offers of securities which are made outside the US, Schedule 1 of the ASX Settlement Operating Rule Procedures was amended to add the CHESD Depository Interests (CDIs) of GI Dynamics, Inc as a new FOR⁷ Financial Product effective from 5 September 2011. Consequently investors may not re-sell any GI Dynamics CDIs or shares of common stock underlying the CDIs issued under the GI Dynamics public offer into the US or to a US person for a period of 12 months effective from 5 September 2011.⁸

On 30 September 2011, Goldman Fielder Limited (GFF) was also included as a FOR Financial Product. In the case of GFF, only Eligible Persons are entitled to exercise entitlements of GFF which commenced trading under the ASX code of GFFR on 30 September 2011. The definition of 'Eligible Persons' is included in the ASX Circular dated 29 September.

ASX is proposing to amend ASX Operating Rules Procedure 1402 so that participants who conduct both agency and non-agency business and who wish to have continued access to the Volume Match Book[®] for their client orders, need only provide ASX with triennial (ie once every three years) rather than annual certification.

Schedules 3 and 5 to the ASX Operating Rules have been amended so that the names of the S&P indices over which futures and options contracts may be listed are now set out in the Procedures.

Details of these changes can be accessed online at: <http://www.asxgroup.com.au/rules-guidance-notes-and-waivers.htm>

ASX granted 55 waivers from the ASX Listing Rules and one exemption from other ASX rule books during the month. These can be accessed online at the Rules, Guidance Notes and Waivers page on the ASX website <http://www.asxgroup.com.au/rules-guidance-notes-and-waivers.htm>.

⁶ Prior to 1 August 2010, ASX was responsible for supervising the ASX and ASX 24 markets and their participants and for monitoring and enforcing compliance with the market rules for those markets. The responsibility for supervising the ASX and ASX 24 markets and their participants was transferred from ASX to ASIC on 1 August 2010 pursuant to the Corporations Amendment (Financial Market Supervision) Act 2010, and the market rules for the ASX and ASX 24 markets were effectively split into market integrity rules administered by ASIC and Operating Rules administered by ASX. However, ASX remains responsible for enforcing any breaches of the former market rules that occurred prior to 1 August 2010.

⁷ FOR Financial Products means a class of Approved Financial Products included in Schedule 1 that are subject to aggregate foreign ownership restrictions pursuant to legislation or under the Issuer's constitution.

⁸ Exceptions apply.
