Announcements made following a price query	31
Trading halts at the listed entity's request	96
Trading halts following a query by ASX	7
Suspensions at the listed entity's request	21
Suspensions imposed by ASX for breach of the Listing Rules	0

¹ Price queries are enquiries made by ASX (either by letter or phone) to a listed entity if it detects unusual movements in a listed entity's security price or trading volumes to ask if the listed entity is aware of any information that has not been announced which, if known, might explain the movements.

² Other continuous disclosure queries are queries (other than price queries) raised by ASX with listed entities when ASX has concerns the entity may not be in compliance with its continuous disclosure obligations under Listing Rules 3.1, 3.1A and 3.1B. Examples include a query made following a media report or an announcement lodged with ASX.

³ Aware letters are sent by ASX following an announcement by a listed entity and ask for details of when the listed entity became aware of the material information contained in the announcement.

ASX Rule Changes, Waivers and Exemptions

Minor amendments to ASX Procedures 3200 and 3260 with respect to regulatory halts came into effect on 25 November. These procedures set out the circumstances where ASX will apply a 'regulatory halt' session state.

⁴ Figures exclude Special Settlement Participants set up to effect a specific corporate action as their participation is only temporary.

⁵ ASX is required, under sections 792B(2)(c) and 821B(2)(c) of the Corporations Act 2001, to refer a matter to ASIC if it has reason to suspect that a person has committed, is committing, or is about to commit a significant contravention of the ASX Group's Operating Rules or the Corporations Act. It should be noted that a single referral may relate to more than one potential contravention. It should also be noted that the fact a matter has been referred to ASIC does not necessarily mean that a contravention has been committed or that ASIC will take enforcement proceedings in relation to it.

Changes to ASX Procedures 4022 (instructions to enter an iceberg order) and 4024 (amendment of Centre Point limit orders to Centre Point market orders and vice versa) in connection to ASX's Centre Point sweep offering also came into effect on 25 November.

Details of these rule changes can be accessed online at: <http://www.asx.com.au/regulation/rules-guidance-notes-and-waivers.htm>

There were 90 waivers granted in relation to the ASX Listing Rules and one waiver in relation to the ASX Operating Rules. Details of waivers and exemptions granted by ASX can be accessed online by clicking on the relevant rule book on the Rules, Guidance Notes and Waivers page on the ASX website (<http://www.asxgroup.com.au/rules-guidance-notes-and-waivers.htm>) and then clicking on the waivers tab.
