

Media alert

17 March 2022

ASX options and futures market is currently halted

ASX identified a hardware-related issue with ASX24 and placed the system into a halt at around 10am this morning.

The issue is isolated to ASX24 and **does not** affect ASX Trade, i.e., the equities trading platform continues to operate normally.

ASX apologises for the disruption and is working to rectify the issue as soon as possible. Further updates will be provided in due course.

System status updates can be found on our website: <https://www2.asx.com.au/markets/market-resources/system-status>
