ETP Update - May 2018

1. CHESSE Replacement Consultation paper

On 27 April, ASX released its consultation paper on 'CHESSE Replacement: New Scope and Implementation Plan'.

This paper sets out:

- changes to be delivered in connection with the CHESSE replacement system through new business features
- an explanation of the different connectivity options to the Digital Asset platform, including what it means to take a node
- a proposed migration and implementation plan

ASX is inviting feedback to assist in planning for the delivery of the replacement system.

Written submissions in response to the consultation paper are due by Friday, 22 June 2018.

We have also prepared a [short presentation](#) which provides an overview of the consultation paper. This may assist with your own internal stakeholder communication.

2. CHESSE Replacement Webinar

The most recent CHESSE Replacement webinar was held on 11 May 2018. The webinar focused on the key points from the consultation paper and included a Q&A session with stakeholders. A [recording of this webinar](#) will be made available soon.
