## mFund Update - January 2018

### 1. 2018 mFund roundtable

ASX is committed to reviewing the mFund service on the operational, compliance and sales and marketing fronts on a continued basis. As an mFund partner, please join us in February for the 2018 mFund Roundtables to be held:

- **Sydney**  
Date: Tuesday, 20 February 2018  
Time: 2:00pm-4:00pm AEDT
- **Melbourne**  
Date: Thursday, 22 February 2018  
Time: 2:00pm-4:00pm AEDT

Both sessions will include all stakeholders of the mFund service including brokers, PISPs, unit registries, responsible entities and fund managers.

An overview of the agenda for the roundtables is listed below, however we welcome your input and contribution toward this. We ask that you provide any agenda items for consideration by emailing these to [mfund@asx.com.au](mailto:mfund@asx.com.au) by Thursday, 25 January 2018.

1. **mFund Service Update**  
Data, trends and insights
2. **Deliveries from previous mFund roundtable**  
Adviser details, enhanced data dissemination on fund characteristics
3. **Scheduled Enhancements: CHES 10**  
Foreign Tax Status data capture, project timeline and considerations
4. **Potential Enhancements for discussion**  
Including data capture/dissemination of Fund Restrictions
5. **CHES Replacement**  
Timing and participant involvement

## 6. Education

Rejection reasons, Issuer to CHESS conversions, FE pricing feeds, ReferencePoint E15 subscriptions and Investment Product Updates

## 7. Marketing update and opportunities

You will shortly receive an invitation to the mFund roundtable sessions and we look forward to seeing you there. If you have any questions, please contact Charmaine Breadon at [Charmaine.breadon@asx.com.au](mailto:Charmaine.breadon@asx.com.au).

## 2. Subscribe to the ASX Investment Products – mFund Update

The mFund Update is for all Issuer and their providers about ASX rules, compliance, operational and general matters for mFund products. To subscribe, email [investment.products@asx.com.au](mailto:investment.products@asx.com.au). Past updates can be accessed [here](#).
