Independent assessment of ASX's Assurance Plan for CHESS replacement – June 2024 report

Dear Dylan,

Today we published the sixth independent expert report on the assessment of ASX's Assurance Plan for the implementation of the CHESS replacement project.

The purpose of the independent assessment was to evaluate whether the design of the Assurance Plan for the CHESS replacement project is "fit for purpose". The independent expert defines "fit for purpose" as the extent to which the coverage, nature, timing, extent and governance of the Assurance Plan is suitable for the size and complexity of the project.

This report is a continuation of the six monthly independent expert reviews performed over CHESS replacement assurance activities, with assessment outcomes reported publicly.

ASX invites you to read the report.
