HOW TO VOTE

Direct voting

You may vote directly on resolutions considered at the meeting without attending the meeting or appointing a proxy.

To vote by direct vote, mark Box A on the Voting Form. You must complete the voting directions for Items 3 to 6 by marking "For" or "Against" for your vote to be counted.

If you cast a direct vote, you are still entitled to attend the meeting. However, your attendance will cancel your direct vote unless you instruct ASX or Link Market Services otherwise.

The Direct Voting Regulations governing direct voting are available online at www.asx.com.au. By submitting a direct vote, you agree to be bound by these regulations.

Appointing a proxy

You can appoint a proxy to attend and vote on your behalf as an alternative to attending the meeting in person or casting a direct vote.

To appoint a proxy, mark Box B on the Voting Form. You can direct your proxy how to vote on Items 3 to 6 by marking "For", "Against" or "Abstain".

A proxy does not need to be a shareholder of ASX. A proxy may be an individual or a company. You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Voting Forms and specify the percentage or number of votes each proxy is appointed to exercise. If you do not specify a percentage or number in both forms, each proxy may exercise half of the votes. You must return both Voting Forms together. If you require an additional Voting Form, please contact Link Market Services on + 61 1300 724 911.

If you sign the enclosed Voting Form, and mark both Box A and Box B, or neither, the Chairman will be appointed as your proxy. The Chairman intends to vote undirected proxies on, and in favour of, all the proposed resolutions.

If you appoint a proxy, you may still attend the meeting. However, your proxy's rights to speak and vote will be suspended while you are present.

Attending the meeting in person

Eligible shareholders may attend the meeting and vote in person.

If you intend to attend the meeting in person, you do not need to submit a Voting Form.

You may still attend the meeting and vote in person even if you have lodged a direct vote or appointed a proxy. You will be provided with a poll voting card on the day. If you have previously submitted a Voting Form, your attendance will cancel your direct vote (unless you instruct ASX or Link Market Services otherwise) or suspend your proxy appointment while you are present at the meeting.

Please bring your personalised Voting Form with you as it will help you to register your attendance at the meeting. If you do not bring your Voting Form with you, you can still attend the meeting but representatives from Link Market Services will need to verify your identity. You can register from 9.00am (AEST) on the day of the meeting.

IMPACT OF YOUR PROXY APPOINTMENT ON YOUR VOTING INSTRUCTIONS

If you appoint the Chairman as your proxy and do not direct him how to vote, you are authorising the Chairman to cast your undirected vote on all proposed resolutions.

If you appoint any other member of ASX's key management personnel (KMP) or their closely related party as your proxy, they will not be able to vote your proxy on Item 4 (Remuneration report), Item 5 (Grant of performance rights to Managing Director and CEO) or Item 6 (Increase cap on non-executive directors' remuneration) unless you have directed them how to vote.

"Closely related party" is defined in the Corporations Act and includes a spouse, dependant and certain other close family members, as well as any companies controlled by a KMP.

If you intend to appoint a KMP or their closely related party or the Chairman as your proxy, you are encouraged to direct them how to vote on Items 3 to 6 by marking "For", "Against" or "Abstain" for each of those items of business.

The Chairman's voting intentions

The Chairman intends to vote undirected proxies on, and in favour of, all the proposed resolutions. If there is a change to how the Chairman intends to vote undirected proxies, ASX will make an announcement to the market.

The Chairman's decision on the validity of a direct vote, vote cast by a proxy or vote cast in person, is conclusive.

ITEM 4: REMUNERATION REPORT

The remuneration report of the Company for the financial year ended 30 June 2017 (FY17) is set out in ASX's 2017 Annual Report.

The report outlines ASX's executive remuneration framework and the FY17 remuneration outcomes for the ASX Limited Board, the Managing Director and CEO (CEO) and Key Management Personnel (KMP).

The Chairman will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the remuneration report at the meeting before calling for a vote.

The resolution is advisory only. The Board will consider and take into account the outcome of the vote and feedback from shareholders on the remuneration report when reviewing the Company's remuneration policies.

Board recommendation

The non-executive directors recommend that you vote in favour of this item.

Voting exclusions

ASX will disregard any votes cast on this resolution:

- by or on behalf of a member of the KMP named in the remuneration report for the year ended 30 June 2017, or that KMP's closely related party, regardless of the capacity in which the vote is cast
- as a proxy by a member of the KMP at the date of the meeting, or that KMP's closely related party, unless the vote is cast as a proxy for a person who is entitled to vote on this resolution:
 - in accordance with their directions on how to vote as set out in the proxy appointment or
 - by the Chairman pursuant to an express authorisation on the Voting Form.

ITEM 5: GRANT OF PERFORMANCE RIGHTS TO THE MANAGING DIRECTOR AND CEO

Shareholder approval is sought for CEO LTI grant

ASX asks shareholders to consider and vote upon a grant of performance rights to Mr Stevens under ASX's Long Term Incentive (LTI) plan.

ASX considers it appropriate for shareholders to vote on Mr Stevens' participation in the LTI plan, even though shareholder approval for the grant of performance rights under the LTI plan is not required under the Listing Rules because any shares will be purchased on-market.

How will the proposed FY18 grant be calculated?

The number of performance rights to be granted to Mr Stevens is calculated by dividing \$1 million by the Volume Weighted Average Price (VWAP) of ASX shares over the 10 business days preceding 26 September 2017 (the date of the proposed grant).

As an illustrative example only, based on the VWAP of ASX's shares over the 10 business days preceding 1 August 2017 of \$52.27, the number of performance rights granted to Mr Stevens would be 19,131. The fair value of 19,131 performance rights as at 1 August 2017 as calculated by an independent valuer is \$643,375.

Each performance right entitles Mr Stevens to receive, upon vesting, one fully paid ASX Limited ordinary share. Performance rights have no entitlement to dividends or voting.

The number of shares that may vest at the end of the performance period (if any) will be determined having regard to the performance criteria described in these explanatory notes.

What is the performance period for the FY18 grant?

Four years, commencing on 27 September 2017 and ending on 26 September 2021.

What performance conditions apply to the FY18 grant?

The performance hurdles include internal and external measures, split 50% EPS and 50% TSR.

(i) EPS performance condition (50% weighting)

EPS is calculated by dividing the underlying net profit attributable to ASX (statutory NPAT adjusted for the after tax effect of any significant items) by the weighted average number of ordinary shares.

EPS performance is measured over a four-year period, using FY17 as the base year and FY21 as the end year.

EPS performance rights will start to vest at 5.1% annual compound EPS growth. The Board believes this payout schedule for compound annual EPS growth over a four-year vesting period provides appropriately challenging stretch targets for management:

EPS growth	EPS performance rights
Less than 5.1% per annum	0%
5.1% per annum	50%
From 5.1% to 10% per annum	50%-100% straight line pro-rata vesting
At or above 10% per annum	100%

NOTICE OF ANNUAL GENERAL MEETING

26 SEPTEMBER 2017

ASX Limited ABN 98 008 624 691

(ii) TSR performance condition (50% weighting)

TSR is determined by comparing ASX's performance to the performance of a group of peer companies selected by the Board.

The number of performance rights which vest at the 51st percentile of the peer group is 25%. This focuses management rewards on significant outperformance of the peer group.

The peer group is ASX 100 companies, excluding property trusts. This provides a broad and representative comparative peer group for Australian investors.

TSR will be calculated by an external provider as follows:

- performance period 27 September 2017 to 26 September 2021
- TSR calculation will use three-month VWAP up to (and including) the start date and end date of the performance period
- dividends assumed to be re-invested on the ex-dividend date
- ignoring tax and any franking credits (or equivalent).

The Board, based on the calculation performed by an external provider, will determine at the end of the performance period whether ASX has met the performance condition.

The number of performance rights that vest will be determined as follows:

TSR rank	TSR performance rights that vest
Less than 51st percentile	0%
51st percentile	25%
From 51st percentile to 76th percentile	25% - 100% straight line pro-rata vesting
At or above the 76th percentile	100%

When will shares be provided?

If performance conditions are met, Mr Stevens will be entitled to receive ASX shares at the end of the four-year performance period in September 2021.

What if shareholder approval is not obtained?

If shareholder approval is not obtained, then, subject to the achievement of the performance conditions described in these explanatory notes, Mr Stevens will receive a cash payment at the end of the four-year performance period in September 2021 equivalent in value to the LTI he would have received had shareholder approval been obtained.

Impact of cessation of employment

Performance rights granted to Mr Stevens will lapse immediately in the event of his resignation (unless approved by ASX) or his dismissal due to misconduct or poor performance, unless the Board determines in its discretion that Mr Stevens ceased employment for a qualifying reason. A qualifying reason includes pursuit of other company-approved initiatives, death, serious illness or accident. Where LTI does not lapse immediately, the Board may determine in its discretion the proportion of shares that are forfeited.

Does the Board have any discretion to clawback or change vesting outcomes?

Yes. The Board has the discretion to change the number of shares provided to Mr Stevens following achievement of performance hurdles where:

- necessary to protect the financial soundness of ASX
- adverse outcomes have arisen that reduce the original assessment of the performance generating the provision of the benefit
- the Board considers that performance outcomes have been materially impacted by changes to ASX's dividend policy, capital structure, gearing or corporate structure
- the Board considers not doing so would provide the CEO with an 'inappropriate benefit' under ASX's Clawback Policy
- the Board determines that vesting should increase or decrease by 20%.

The Board will exercise such discretion in a manner that is consistent with supporting sound and effective risk management, protecting ASX's long-term stability and aligned with creation of long-term shareholder value.

Board recommendation

The non-executive directors recommend that you vote in favour of this item.

Voting exclusions

ASX will disregard any votes cast on this resolution:

- by or on behalf of Mr Stevens or an associate of Mr Stevens, regardless of the capacity in which the vote is cast
- as a proxy by a member of the KMP at the date of the meeting, or that KMP's closely related party, unless the vote is cast as a proxy for a person who is entitled to vote on this resolution:
 - in accordance with their directions of how to vote as set out in the proxy appointment or
 - by the Chairman pursuant to an express authorisation on the Voting Form.

ITEM 6: INCREASE CAP ON NON-EXECUTIVE DIRECTORS' REMUNERATION

In accordance with Listing Rule 10.17, the limit on total aggregate remuneration that may be paid to non-executive directors is fixed by ordinary resolution of a general meeting of shareholders of ASX.

The ASX Board is asking shareholders to increase the maximum amount of fees that may be paid to non-executive directors by \$200,000, from \$2.8 million to \$3 million.

The current limit was approved by shareholders at ASX's 2012 Annual General Meeting.

The proposed new maximum amount takes into account changes in the number and responsibilities of ASX's non-executive directors, as well as a change to ASX's fee structure for non-executive directors, while continuing to maintain a fee buffer to provide flexibility.

The total fees paid to ASX non-executive directors in FY17 was \$2,396,021. However, the number of ASX's non-executive directors has increased from nine in August 2016 to ten in August 2017, following the appointments of Ms Melinda Conrad and Mr Robert Priestley as non-executive directors, and Mr Dominic Stevens ceasing to be a non-executive director when he took up his new role as Managing Director and CEO. These changes are expected to result in an increase in FY18 of around \$315,000 in fees, on an annualised basis, taking into account ASX's new fee structure for non-executive directors.

ASX reviewed its non-executive director fee structure in August 2017 and made changes that will take effect from October 2017. The changes were determined having regard to changed responsibilities of directors across ASX's governance forums. The new fee structure is expected to result in some fee adjustments up or down for ASX's non-executive directors depending on their responsibilities. In addition to the increase reflecting increased director numbers, the change is expected to result in a small overall increase to non-executive director fees in FY18 of around \$20,000, on an annualised basis.

The proposed new maximum amount takes into account these changes, and includes a fee buffer of around \$250,000. The ASX Board has always maintained a fee buffer to give it flexibility in planning its structure in advance of specific needs arising. This has included appointing new directors to the Board before the directors they are replacing retire, to facilitate an orderly succession.

No securities have been issued to ASX non-executive directors under Listing Rule 10.11 or 10.14 with the approval of shareholders within the last three years.

Board recommendation

Given the interest in this matter of each non-executive director, the Board as a whole makes no recommendation on this item.

Voting exclusions

ASX will disregard any votes cast on this resolution:

- by or on behalf of the directors or their associates, regardless of the capacity in which the vote is cast
- as a proxy by a member of the KMP at the date of the meeting, or that KMP's closely related party, unless the vote is cast as a proxy for a person who is entitled to vote on this resolution:
 - in accordance with their directions of how to vote as set out in the proxy appointment or
 - by the Chairman pursuant to an express authorisation on the Voting Form
