How to vote

Direct voting

You may vote directly on resolutions considered at the meeting without attending the meeting or appointing a proxy.

To vote by direct vote, mark Box A on the Voting Form. You must complete the voting directions for Items 3 to 5 by marking "For" or "Against" for your vote to be counted.

If you cast a direct vote, you are still entitled to attend the meeting. However, your attendance will cancel your direct vote unless you instruct ASX or Link Market Services otherwise.

The Direct Voting Regulations governing direct voting are available online at www.asx.com.au. By submitting a direct vote, you agree to be bound by these regulations.

Appointing a proxy

You can appoint a proxy to attend and vote on your behalf as an alternative to attending the meeting in person or casting a direct vote.

To appoint a proxy, mark Box B on the Voting Form. You can direct your proxy how to vote on Items 3 to 5 by marking "For", "Against" or "Abstain".

A proxy does not need to be a shareholder of ASX. A proxy may be an individual or a company. You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Voting Forms and specify the percentage or number of votes each proxy is appointed to exercise. If you do not specify a percentage or number in both forms, each proxy may exercise half of the votes. You must return both Voting Forms together. If you require an additional Voting Form, please contact Link Market Services on + 61 1300 724 911.

If you sign the enclosed Voting Form and no direction is given or you do not mark Box A or Box B, the Chairman will be appointed as your proxy. The Chairman intends to vote undirected proxies on, and in favour of, all the proposed resolutions. If you mark both Box A and Box B, you will be taken not to have appointed a proxy and your direct votes will be counted.

If you appoint a proxy, you may still attend the meeting. However, your proxy's rights to speak and vote will be suspended while you are present.

Attending the meeting in person

Eligible shareholders may attend the meeting and vote in person.

If you intend to attend the meeting in person, you do not need to submit a Voting Form.

You may still attend the meeting and vote in person even if you have lodged a direct vote or appointed a proxy. You will be provided with a poll voting card on the day. If you have previously submitted a Voting Form, your attendance will cancel your direct vote (unless you instruct ASX or Link Market Services otherwise) or suspend your proxy appointment while you are present at the meeting.

Please bring your personalised Voting Form with you as it will help you to register your attendance at the meeting. If you do not bring your Voting Form with you, you can still attend the meeting but representatives from Link Market Services will need to verify your identity. You can register from 9.00am (AEST) on the day of the meeting.

Impact of your proxy appointment on your voting instructions

If you appoint the Chairman as your proxy and do not direct him how to vote, you are authorising the Chairman to cast your undirected vote on all proposed resolutions.

If you appoint any other member of ASX's Key Management Personnel (KMP) or their closely related party as your proxy, they will not be able to vote your proxy on Item 4 (Remuneration report) or Item 5 (Grant of performance rights to Managing Director and CEO) unless you have directed them how to vote.

"Closely related party" is defined in the Corporations Act and includes a spouse, dependant and certain other close family members, as well as any companies controlled by a KMP.

If you intend to appoint a KMP or their closely related party or the Chairman as your proxy, you are encouraged to direct them how to vote on Items 3 to 5 by marking "For", "Against" or "Abstain" for each of those items of business.

The Chairman's voting intentions

The Chairman intends to vote undirected proxies on, and in favour of, all the proposed resolutions. If there is a change to how the Chairman intends to vote undirected proxies, ASX will make an announcement to the market.

The Chairman's decision on the validity of a direct vote, vote cast by a proxy or vote cast in person, is conclusive.

Submitting your voting form

Your completed Voting Form must be received by no later than 10.00am (AEST) on Sunday 22 September 2019. An original or a certified copy of any power of attorney under which the form was signed must also be received by this time unless previously provided to Link Market Services.

Notice of 2019 Annual General Meeting

24 September 2019

ASX Limited ABN 98 008 624 691

Item 5: Grant of performance rights to the Managing Director and CEO

Shareholder approval is sought for CEO LTI grant

ASX asks shareholders to consider and vote upon a grant of performance rights to Mr Stevens under ASX's Long Term Incentive (LTI) Plan.

ASX considers it appropriate for shareholders to vote on Mr Stevens' participation in the LTI Plan, even though shareholder approval for the grant of performance rights under the LTI Plan is not required under the Listing Rules because any shares will be purchased on-market.

How will the proposed FY20 grant be calculated?

The number of performance rights to be granted to Mr Stevens is calculated by dividing \$1 million by the Volume Weighted Average Price (VWAP) of ASX shares over the 10 business days preceding 24 September 2019 (the date of the proposed grant).

As an illustrative example only, based on the VWAP of ASX's shares over the 10 business days preceding 1 August 2019 of \$86.72 the number of performance rights granted to Mr Stevens would be 11,531. The fair value of 11,531 performance rights as at 1 August 2019 as calculated by an independent valuer is \$655,537.

Each performance right entitles Mr Stevens to receive, upon vesting, one fully paid ASX ordinary share (or at the Board's discretion, Mr Stevens may instead receive a cash-equivalent payment). Performance rights have no entitlement to dividends or voting.

The number of shares that may vest at the end of the performance period (if any) will be determined having regard to the performance criteria described in these explanatory notes.

What is the performance period for the FY20 grant?

Four years, commencing on 25 September 2019 and ending on 24 September 2023.

What performance conditions apply to the FY20 grant?

The performance hurdles include internal and external measures, split 50% earnings per share (EPS) and 50% total shareholder return (TSR).

(i) EPS performance condition (50% weighting)

EPS is calculated by dividing the underlying net profit attributable to ASX (statutory net profit after tax (NPAT) adjusted for the after tax effect of any significant items) by the weighted average number of ordinary shares.

EPS performance is measured over a four-year period, using FY19 as the base year and FY23 as the end year.

EPS performance rights will start to vest at 5.1% annual compound EPS growth. The Board believes this payout schedule for compound annual EPS growth over a four-year vesting period provides appropriately challenging stretch targets for management:

EPS growth	EPS performance rights that vest
Less than 5.1% per annum	0%
5.1% per annum	50%
From 5.1% to 10% per annum	50%-100% straight line pro-rata vesting
At or above 10% per annum	100%

(ii) TSR performance condition (50% weighting)

TSR is determined by comparing ASX's performance to the performance of a group of peer companies selected by the Board.

The number of performance rights which vest at the 51st percentile of the peer group is 25%. This focuses management rewards on significant outperformance of the peer group.

The peer group is ASX 100 companies, excluding property trusts. This provides a broad and representative comparative peer group for Australian investors.

TSR will be calculated by an external provider as follows:

- performance period 25 September 2019 to 24 September 2023
- TSR calculation will use three-month VWAP up to (and including) the start date and end date of the performance period
- dividends assumed to be re-invested on the ex-dividend date
- ignoring tax and any franking credits (or equivalent).

The Board, based on the calculation performed by an external provider, will determine at the end of the performance period whether ASX has met the performance condition.

The number of performance rights that vest will be determined as follows:

TSR rank	TSR performance rights that vest
Less than 51st percentile	0%
51st percentile	25%
From 51st percentile to 76th percentile	25% - 100% straight line pro-rata vesting
At or above the 76th percentile	100%

When will shares be provided?

If performance conditions are met, Mr Stevens will be entitled to receive ASX shares at the end of the four-year performance period in September 2023.

What if shareholder approval is not obtained?

If shareholder approval is not obtained, then, subject to the achievement of the performance conditions described in these explanatory notes, Mr Stevens will receive a cash payment at the end of the four-year performance period in September 2023 equivalent in value to the LTI he would have received had shareholder approval been obtained.

Impact of cessation of employment

Performance rights granted to Mr Stevens will lapse immediately in the event of his resignation (unless approved by ASX) or his dismissal due to misconduct or poor performance. If Mr Stevens ceases employment for a qualifying reason, his LTI will remain on foot, subject to its original terms, except that any service condition will be waived. A qualifying reason includes cessation by genuine retirement, mutual agreement, termination from the Group on notice, pursuit of other Company-approved initiatives, death, serious illness or accident. Where Mr Stevens' LTI does not lapse immediately, the Board may determine (acting reasonably) the proportion of performance rights that remain on foot, vest or lapse.

Notice of 2019 Annual General Meeting

24 September 2019

ASX Limited ABN 98 008 624 691

Does the Board have any discretion to clawback or change vesting outcomes?

Yes. The Board has the discretion to change the number of shares provided to Mr Stevens following achievement of performance hurdles where:

- necessary to protect the financial soundness of ASX
- adverse outcomes have arisen that reduce the original assessment of the performance generating the provision of the benefit
- the Board considers that performance outcomes have been materially impacted by changes to ASX's dividend policy, capital structure, gearing or corporate structure
- the Board considers not doing so would provide the CEO with an 'inappropriate benefit' under ASX's Clawback Policy
- the Board determines that vesting should increase or decrease by up to 20%.

The Board will exercise such discretion in a manner that is consistent with supporting sound and effective risk management, protecting ASX's long-term stability and aligned with creation of long-term shareholder value.

Board recommendation

The non-executive directors recommend that you vote in favour of this item.

Voting exclusions

ASX will disregard any votes cast:

- in favour of this resolution by or on behalf of Mr Stevens or an associate of Mr Stevens, regardless of the capacity in which the vote is cast
- on this resolution as a proxy by a member of the KMP at the date of the meeting, or that KMP's closely related party, unless the vote is cast as a proxy for a person who is entitled to vote on this resolution:
- in accordance with their directions on how to vote as set out in the proxy appointment or
- by the Chairman pursuant to an express authorisation on the Voting Form.

PROXY VOTING BY THE CHAIRMAN OF THE MEETING

On a poll, the Chairman of the Meeting will vote directed proxies as directed and may vote undirected proxies as the Chairman of the Meeting sees fit. If the Chairman of the Meeting is your proxy or becomes your proxy by default, and you do not provide voting directions, then by submitting the Voting Form you are expressly authorising the Chairman of the Meeting to exercise your proxy on all Resolutions, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Voting Forms together. If you require an additional Voting Form, contact Link Market Services on 1300 724 911 or you may copy this form.
